

Jash International Sdn Bhd is a Procurement and Supply specialist based in Malaysia with branches in Maldives, China & Bangladesh. Thriving to be the most trustworthy and the most reliable connection between suppliers and buyers in business. **Jash** is Dynamic champion driving the global procurement and supply market for various types of goods.

Our business model is simple and seamless. We simply receive the requests from the clients, acquire price from our internationally based trustworthy suppliers and deliver the price to our customers in a matter of few hours.

What makes us special is we have an in-house team of specialists from Engineering backgrounds, procurement, and sales specialists as well as logistics world class partners.

Our model has made a big difference for many of our clients and provided with the highest level of excellence with “**Never say no to a client**” attitude regardless of order size or profit margin.
